WORLD EARTHDAY

Small hands can save the world

The best time to plant a tree
was twenty years ago. The second
best time is now.

Clean and green is the dream
for our earth

It's not yours, but mine. Let's protect your
mother who nourish you.

Greenery is our earth's security

ABOUT EARTH DAY :-
Earth Day is celebrated every year on April 22nd. It was first celebrated in 1970 and has since become a global event. The day is dedicated to raising awareness about environmental issues and encouraging people to take action to protect the planet. It is a day to celebrate the Earth and the life that it supports. It is a day to remind us of our responsibility to protect the planet for future generations.

EARTHY GOALS

Our Earth is special. There is just one.
It gives us water, soil, and sun.
Protects and nurtures the land.
Let's all love it, protect it, and
keep it safe for ever.
We can save water, and plant trees.
Make a better world, for you and me.
Recycle, please, don't throw away.
Make every day an Earth Day!

NATURE'S LOVE

MAKE EVERY DAY, EARTH DAY

Comes once a year.
But we should make our message clear.
Love and clean our Earth each day.
Make that plan a plan to stay.

World EARTH DAY

SAVE WATER
It's the most precious resource we have. Don't waste it. Turn off the tap when you're brushing your teeth. Fix any leaks as soon as you can.

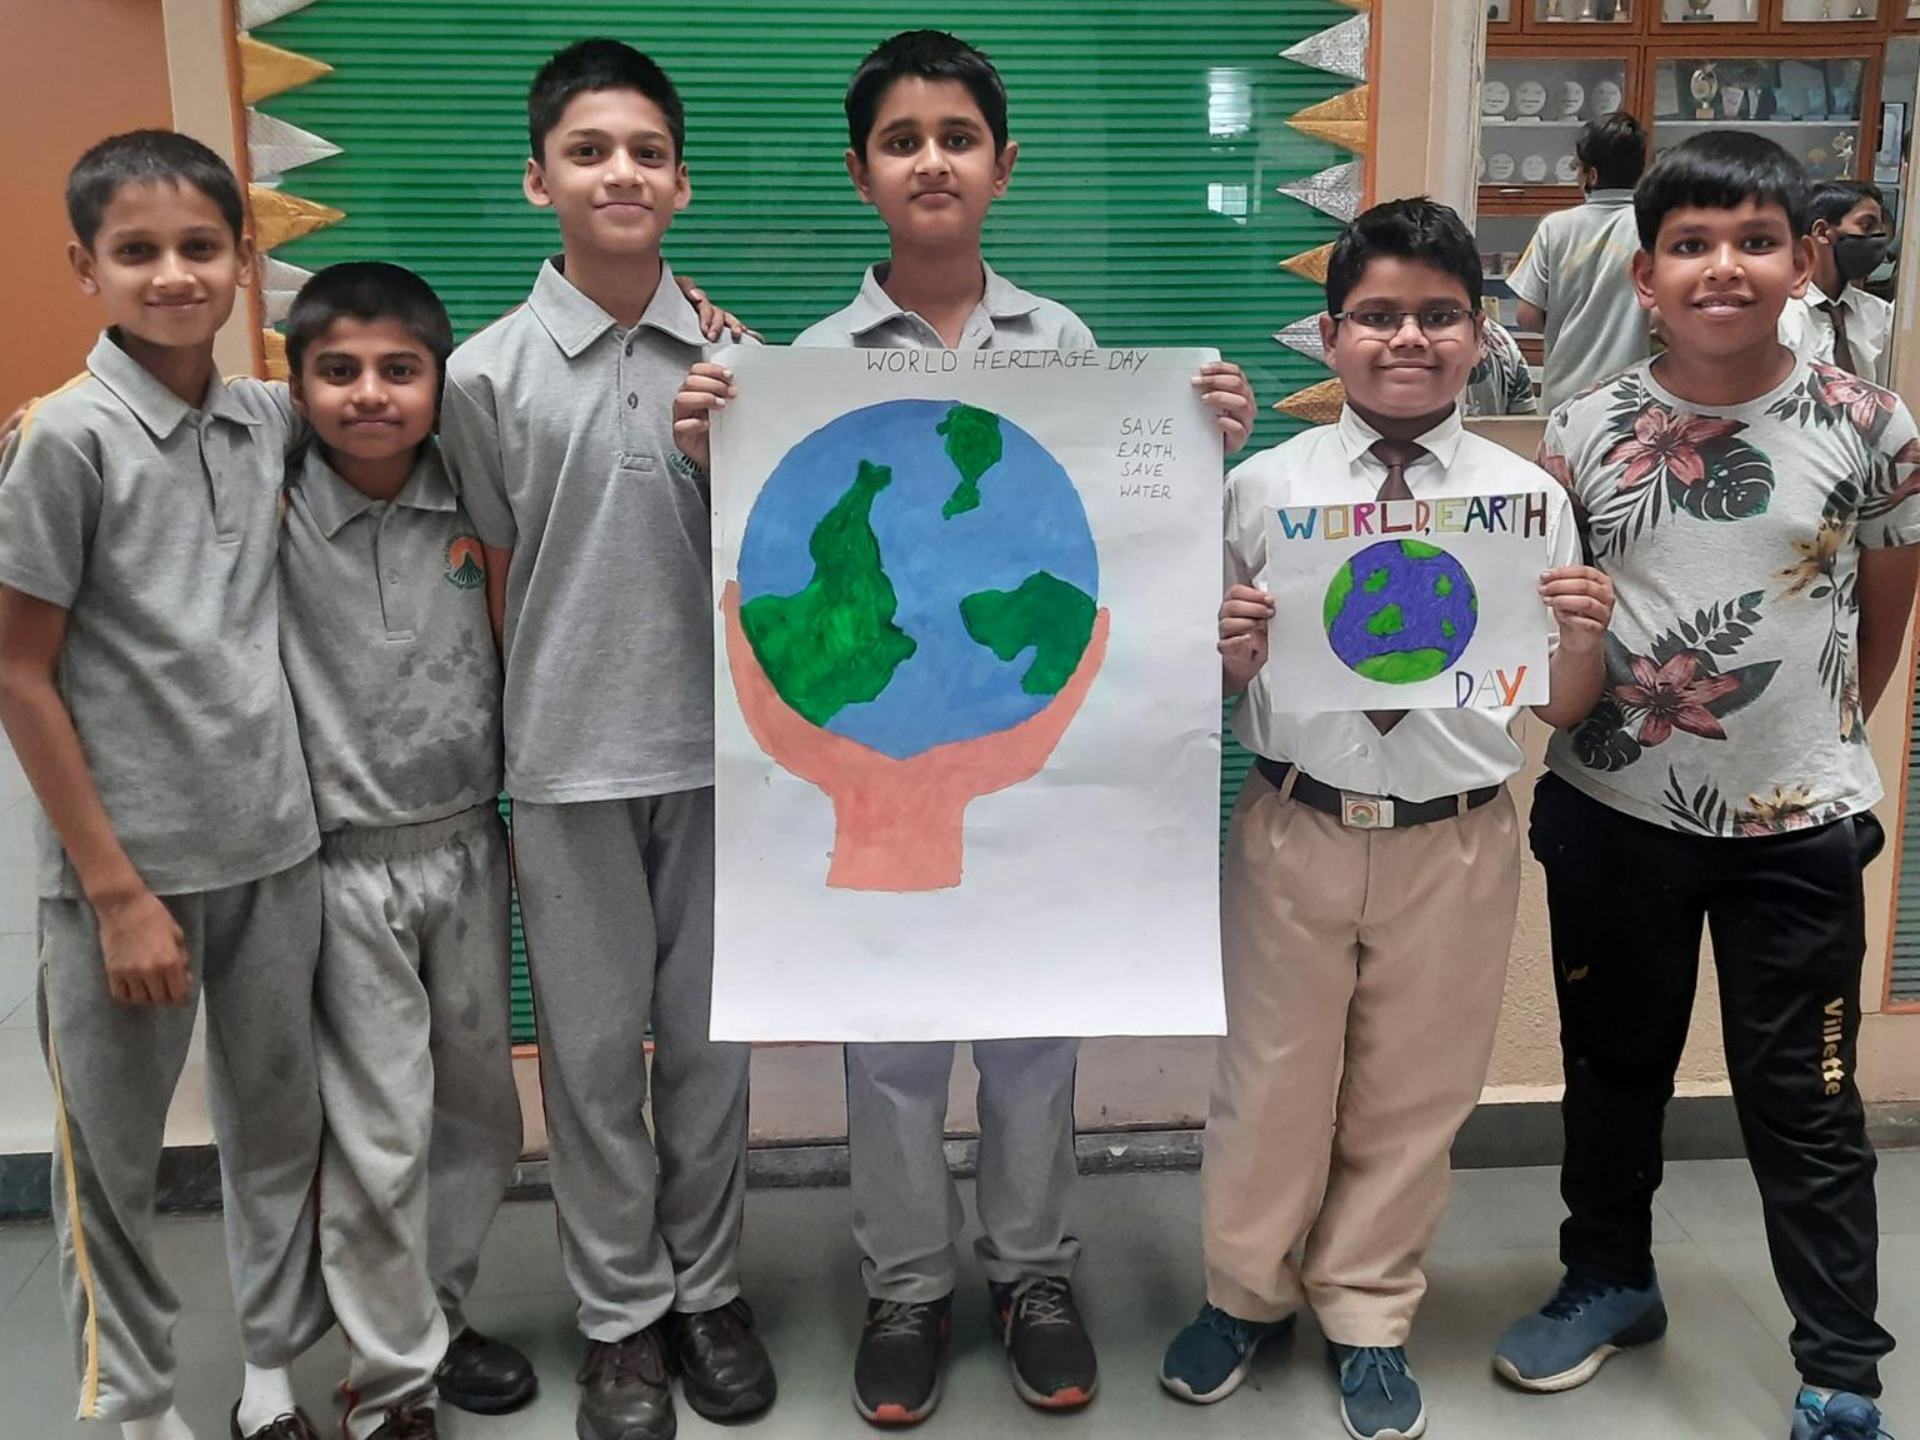

THE EARTH IS THE ONLY KNOWN PLANET IN THE SOLAR SYSTEM TO HAVE LIQUID WATER ON ITS SURFACE. IT IS THE ONLY KNOWN PLANET TO HAVE LIFE. IT IS THE ONLY KNOWN PLANET TO HAVE A CLIMATE THAT IS SUITABLE FOR LIFE. IT IS THE ONLY KNOWN PLANET TO HAVE A BIODIVERSE ECOSYSTEM. IT IS THE ONLY KNOWN PLANET TO HAVE A CULTURE AND CIVILIZATION. IT IS THE ONLY KNOWN PLANET TO HAVE A FUTURE.

Let's protect it.
Let's love it.
Let's save it.
Let's make it a better place for everyone.

World Earth Day
Remember that Earth is the only planet we know of that has the conditions necessary to support life. Let's do our part to keep it that way. We can't afford to wait until it's too late. Let's make a difference today.

I LOVE MOTHER EARTH

If You Can't Join Us,
Join It
Be an environmental leader, not a follower.
Save the environment. Because it's
a precious pastime.

If You have fuel from why
are you always getting
on the road?

EARTH ENVIRONMENT

Therefore, it is important for every individual to save and protect our environment. Earth's environment range from polar ice caps to hot, dry deserts, from dark ocean depths to high mountain tops. The planets ecosystem involve complex interactions between the physical (Non-living) and biological (living) worlds. The Earth and its environment may be divided into several realms.

Environment plays an important role in healthy living and the existence of life on planet Earth. Earth is a home for different living species and we all are dependent on the environment for food, air, water and other needs.
