

Gurudev Rabindranath Tagore expressed that “The highest education is that which does not merely gives us information but makes our life in harmony with existence”.

We at City International School, Pimpri keeping this spirit of education alive are continuously striving to nurture children into full-fledged personalities.

Our aim is to nurture the child into a self-motivated individual. Curriculum and the practices of the school uphold the futuristic motto of the school “Creating Global Citizens”. Both Scholastic and Co-scholastic aspects of our education offer umpteen opportunities for the students to explore their interests and innovate new ideas.

It has been our earnest endeavour to not only promote the intellectual and physical abilities but also raise the emotional intelligence of the children. Values of peace, love, justice, honesty, cleanliness, social concern, quest for learning, integrity and creativity are assimilated in the policy and actions of the school which are helping in the holistic growth of every child.

I am hopeful that with a dedicated and wonderful team of teachers, staff, students, parents along with the benevolent support of the Management the school will reach to greater heights in the years to come.

With Best Wishes,

Mrs. Pallavi Hegde
