

PTA – THE PARENT TEACHER ASSOCIATION

The Parent Teacher Association (PTA) is formed in the school as per the Government norms and guidelines. The Parent Members of Executive Committee of the Parent Teacher Association are selected by the prescribed norms of the selection process which is held in the school in a transparent way.

Names and contact details of these selected members are made available to the other parents so that they can stay in touch with the PTA Executive Committee Members.

The PTA has to serve as a clearing house of information regarding educational matters and has to aid in establishing contact between parents of children studying at and the teaching staff of City International School Pimpri, by meetings and other means so as to result in exchange of ideas, views and experiences, beneficial to the children, the parents and the School. The PTA Executive Committee Members have to bring about closer co-operation between home and School.

Regular periodic PTA Executive Committee Meetings are held in the school premises to discuss and solve the various issues related to the students and the school.
