Sub: Annual Concert FY 2022 - 2023

Respected Madam,

My heartiest congratulations to you on the achievement of organizing an excellen Annual Concert once again. Thank you for the opportunity given to me. It was ar excellent programme, I enjoyed each and every programme thoroughly.

It was well organized and systematically planned. The best part is that the programme started at exactly at 5.30 p.m. Appreciate the punctuality followed in the program.

All the programmes and themes were good. The stage arrangements with colorful lights and big LED screen added special effect to the programme. All the songs, costumes script and choreography were excellent.

It was not only Annual day programme it was also a learning programme for parents & children. We learnt the how Pancha thantra originated. Pancha Thantra story was a good selection for the small kids and it was nice to see small kids playing as anima characters. Each and every kid enjoyed his / her character and had given the best.

"The Bee story" was also an excellent selection and it was a good education programme, the way how the bees are helping the nature & how honey is useful for human was depicted in an excellent way. The colony collapse was really heart touching and kids also performed very well.

The Utsav Cultural mosaic programme was an unique theme. It was like I have gone through a world tour. Really in a short time teachers understand each and every country songs and dances and choreographed in an excellent way. Hats off to the entire team. I have seen some of the beautiful country's dances on a single stage. Thank you so much for the wonderful theme.

Costumes were very attractive and beautiful. Makeups were too good. I could see there was a perfection & Coordination in most of the performances. All children performed very well.

My Special thanks to entire CIS team for their wonderful team work. Each and every teacher seriously took their given subject, done deep research and brought the characters lively in this programme. Hat's off to everyone for such a dedicated work and sincerity which was reflected throughout the programme.

On all the three days the programme was well planned, well organized and promptly executed. Thank you once again for a memorable and a lovely programme.

Warm Regards

R. Ramesh

Respected Ma'am

Thank you to all the teacher's staff and every one in the city kids team.

Let me first congratulate you and the team for putting up such a splendid show for the annual concert. the dedication and humongous efforts of the teachers and students was showing through clearly.

The annual concert celebration event and the shows there in were really outstanding and left us spell bound in awe and admiration for all the hard work put forth by both the teacher's and students.

Once again my heartiest congratulations especially Nursery teachers to you on the achievement of organizing an excellent Annual concert.

Perfect management, superb team collaboration, right from anchoring n performance everything was so perfect,

Extremely high efforts taken by kids, teachers n staff to make such a beautiful event after so long. I really wonder and like to appreciate how our school managing everything by accept the fact that we have very limited premises space for rehearsals etc Many more such events to make us happy n proud

Thanks 😊
